CHARITY REQUEST

TRUE Ride is a family-owned, and is dedicated to supporting our community. For us, giving back to the area that supports us is part of our journey.

Each month TRUE Ride will host a “Ride for True Change” to benefit a local nonprofit organization. These charity rides are donation-based classes that will raise funds to support our community. Riders will donate a minimum of \$15 and up to reserve a bike and those proceeds go directly to the charity of the month.

If you are a registered non-profit organization and would like to submit a request for a charity ride, please complete the form below and submit by mailing or faxing to the information above.

In your written request, please detail the purpose of your organization, what your specific needs are, and whom the charity or sponsorship would benefit.

As an active member of our community, we focus on supporting organizations that fall into the following areas:

- Education
- Youth Sports
- Cultural Youth Programs
- Healthcare
- Hunger and Nutrition
- Needy and Disadvantaged

We will also consider requests regarding other categories from organizations that share our company’s values. Please note that we do not provide charity rides for individuals, unless in some certain circumstances.

While we would like to be able to help out everyone who submits a request, we are not always able to offer support because of the high volume of submissions we receive. If for some reason we are unable to fulfill your request, you may submit again in the future. We will review all applicants on the first of each month and make an effort to rotate support throughout a wide variety of organizations. We will contact your organization upon the approval of your request.

Thank you for including TRUE Ride in your community-support efforts, we wish you the best on your endeavors!
